ADMINISTRATION

Dedication

At the beginning of this volume of the school annual, we wish to salute the faithful service and untiring efforts of one of the oldest members of the P. H. S. Faculty — Mrs. Elizabeth Jones.

Graduated from Mansfield College in 1895, Mrs. Jones has been a teacher in the public schools of Punxsutawney almost continuously since 1897. She has been a teacher of mathematics in P. H. S. for the past thirty-four years and has maintained an almost perfect record of attendance.

In daily life, she is kown by all with whom she comes in contact to possess a kindly, sympathetic attitude and a friendly understanding. Because of these qualities and her high ideals of personal character, the Class of 1942 dedicates this issue of *"The Mirror"* to

MRS. ELIZABETH JONES

ELIZABETH D. JONES

BOARD of EDUCATION

OFFICERS

JOHN M. HARVEY, *President*
JAMES M. COBLE, *Vice President*

Passing in Review

THE Senior Class of '42 takes this opportunity to express its best wishes for future success to the most admirable member of the class — Harold McQuown—who, in spite of his physical handicap, has completed his high school life with us at P. H. S. Through his cheery disposition, Harold has been, perhaps unconsciously, an inspiration to all of us for the past four years.

THE FOOTBALL TEAM

This year Punxs'y enjoyed the best football season of its history. The Chucks distinguished themselves by outscoring their opponents in every game but one, which was a tie played on a rainsoaked field. Our biggest games were with Brookville and DuBois, who were defeated in highly exciting games by margins that left no doubt of our superiority. The squad trained faithfully during the season, and their fine school spirit contributed to a successful one. Thanks to Mr. Harrick, Mr. Schilling, and Mr. West for their good coaching.

CHEERLEADERS

In flashy new jackets which add to their dazzling outfits, eight cheerleaders have led the student body in pep sessions. Rain or shine, they have cheered the team on to victory. Several times, this group has made up new yells and has practiced many nights after school. The cheerleaders consist of six pretty girls and two cute boys—Lillian Benson, June Depp, Ruth Dickey, Mary Lazorcak, Don London, Guy London, Peggy Morris, and Anna Lou Wolfe. Five of this group will graduate this year. On Class Day, each cheerleader receives an emblem in honor of his work. Throughout school they receive practically the same privileges as those of the Varsity members.

Much credit must be given to Mrs. Wray, who has been the faculty adviser of the cheerleaders. During the football season, Anna Lou Wolfe acted as head-cheerleader, while during basketball season, Ruth Dickey took up the position. However, credit must be given to each cheerleader for his faithful efforts!

BASKETBALL TEAM

With Red Heitzenrater starring, the basketball team won the first half of the league of which they are a member. Due to illness, the second half was not so successful. Fred Lazorcak was the leading scorer of the team. With Billy Lavosky throwing in a large percentage of the foul shots and with George Hritz and Dixon Wilmoth holding up their end in capable fashion, the Chucks were a distinct threat all through the season. "Hank" Chuchvara did a fine job of playing the pivot position for the team after Heitzenrater became injured.

There were many highlights of the season. The team handed the Maroons of Brookville two defeats. The scores were 38-20 and 51-16. Another highlight was the playoff game between Curwensville and Punxs'y, with Curwensville walking off with a victory, only to have to forfeit the title because an ineligible player participated in the game. Still another highlight was the final playoff game with DuBois when the Chucks were defeated by one point.

JUNIOR VARSITY BASKETBALL

Although the junior varsity basketball team does not receive as much attention as the varsity team, it plays a very important part in the athletics of P H. S. During the winter months the J. V.'s provide entertainment with the games which they play with teams from surrounding towns. Both the practice for these games and the practical training gained from playing the games aid in preparing these boys for the varsity team. Since the fundamentals of basketball are taught to the boys by Mr. Schilling, their coach, much time is saved for Mr. Clark, who coaches the varsity team.

This year the junior varsity squad was made up of twenty boys. About one-half of the squad consisted of freshmen, and the other half was made up of sophomores. These boys played twenty games, counting those games both at home and away. Most of the opposing teams with which they played were in the Southern league.

GOLF TEAM

Golf is one of the newer sports of the P. H. S. branch of athletics. Although this sport has been operating only four or five years, it is beginning to be a major one. In the past two years the team has had only four members, but now it has ten. Nick Passerell and Max Moore are both lettermen. The ten members belong to a league which consists of Clearfield, Brookville, DuBois, Sandy, and Corsica. Each school once a year acts as a host to this league. For the past two years they have held second place in the league. Last fall they played at Brookville and Clearfield. This spring they played the rest of the teams in the league. The players are very faithful to Mr. Caylor, the club's adviser. Every night after school in spring and fall they practice from four until six o'clock. Keep up your good work, boys, for success is inevitable.

VARSITY CLUB

President—Max Fetterman
Vice President—Fred Lazorcak
Secretary—Bob Depp
Treasurer—Lynn Heitzenrater

The P. H. S. Varsity Club, which is composed entirely of lettermen, holds bi-monthly meetings in the high school. At these meetings the boys hear speakers, usually prominent men of Punxsutawney who are interested in sports, and discuss problems pertaining to sports and sportsmanship. The club was organized in the fall of 1937 for the purpose of promoting better, stronger athletic teams and of stressing the duty of a varsity member to his school team when playing with opponents at home and abroad. The club so far has been very successful in carrying out these aims. Any boy who has won a letter in one of the varsity sports is eligible for membership.

Perhaps the club is best known for the fine sweaters it purchases each year for its senior members. On the left sleeve of the sweater is a stripe for each sport in which the member has won a letter. Mr. Harrick sponsors the club.

MAJORETTES

For the third successive year, majorettes have proudly headed the band as it marched down the street. This year, four students have held this position. During the summer various people practiced baton twirling. Those who were selected are Jean Handyside, Khloris Clark, Nellie Farrimond, and Betty Lou Scava. Shirley Dawson has been our Drum Majorette this past year. Many nights they have drilled and tried to perfect their ability. And during some of the coldest days, they have really given a good exhibition. Altogether, these five progressive majorettes along with the band, have displayed much talent at the games. Not only did they twirl batons, but also, they presented a patriotic routine by twirling flags. Thanks to the majorettes, these impressive performances were great successes. The majorettes received their training from "Posey" Morgan. Hats off to our majorettes!

Those Senior majorettes who graduate this year are Shirley Dawson, Khloris Clark, and Jean Handyside.

BAND

OFFICERS

President—Harry Startzell
Librarian—Glenn Domb
Secretary—William Nickeson
Head Drum Major—Shirley Dawson
Student Director—Don Weed

The band is one of the best-known organizations in our school. Being composed of seventy members, it is one of the finest outfits in this district. Each home football game was made more spectacular by the fine music and unique drills of the band. It also staged a fine performance for the DuBois-Punxs'y game on Armistice Day. In addition to playing for football games, our basketball games were enlivened by a special band that was formed for that purpose. As is the custom, a spring concert was presented by the band. Ten of its members had the opportunity of playing in the District Band, and all of the band members journeyed to Clearfield, where they presented a Tri-City Band Concert with DuBois and Clearfield.

In addition to the fine work of the band members, credit should also be given to Mr. Kester, the drum major and majorettes, and Betty Lou Scava, soloist, for their fine service.

ORCHESTRA

President—Harry Startzell

Secretary—William Nickeson Librarian—Glenn Domb

Although it is somewhat smaller than the band or choir, the orchestra is just as capable. It consists of thirty-two members, each one having the ability to play a musical instrument.

This year the orchestra was very active. As usual, it appeared in chapel many times. In addition, upon request, it furnished music for various other activities. The music for commencement was also supplied by it, as is the custom. For the first time in P. H. S. history, the entire orchestra participated in a Tri-City Orchestra Concert with Clearfield and DuBois. It is hoped that, in future years, more of these concerts can be presented.

By joining the orchestra, those who are interested in playing some musical instrument can acquire valuable training and experience.

Credit is due to Mr. Kester, the director of the orchestra, for his fine work with it. Through his efforts, the orchestra has become a fine organization.

A CAPELLA CHOIR

The A Capella Choir, which is one of the largest and most active organizations in the school, is composed of sixty-five members. The choir, under the direction of Mr. Kester, has participated in many activities in the last year. In December, a fine program of Christmas music was presented in chapel. In addition, the choir acted as host to the choirs of Clearfield and DuBois, which came to Punxsutawney to present a Tri-City Choral Concert. This concert was held in January. It made history, for the three organizations comprised the largest group of singers ever to appear in this city. The A Capella Choir provided fine music for the services of various churches and also for the Baccalaureate service.

The choir had no officers, but it did have a student leader; Betty Lou Scava was appointed to serve in this capacity.

Since its organization four years ago, the choir has been steadily gaining recognition. Let us hope that it continues to do so.

USHER'S CLUB

President—Frank Salvaggio
Treasurer—Loraine Nageli

The Usher's Club is a very helpful club in P. H. S. It was created and organized by Mr. Downie five years ago when our new high school was finished. In fact, it was the building of the new high school that created the necessity for the club. Ever since that time, the Usher's Club has continued to help people find their seats at football and basketball games and at plays, concerts, and all other activities in the auditorium. No matter what kind of weather, the bright red jackets of the boys can be seen at the football games. Although the boys gain no recognition in the club and enrollment is voluntary, the Usher's Club has a very valuable group of boys. Mr. Boyd is the club's faculty adviser.

These white clad friendly boys, who have become a necessity to our school, are always on hand to help you and guide you to an available seat.

STAGE CREW

"All work and no play" is a phrase that can be used to describe the Stage Crew, for this club has no social meetings.

Mr. Beam, the faculty supervisor, has had splendid response from these boys, who have many tasks to perform. They are responsible for operating the lights and curtains and setting up scenery and chairs for the chapel programs of both the grade and high schools.

Furthermore, they have charge of the stage for any program of organizations other than the school. In general, this group does all the work needed to prepare the equipment for stage of the auditorium.

This year the stage crew has enjoyed the fine assistance of the Weber Manual Training School.

The sole officer of this club is Nick Passerell, the Stage Manager.

We want to congratulate this organization for their excellent work in serving the school and hope that the future members will uphold this ideal record.

THESPIAN SOCIETY

OFFICERS

President—Madalyn Bidwell

Vice President—Phil Jack Secretary—Margery Murray

The Thespian Society is one of the most active organizations in our school.

P. H. S. has a recorded dramatics history of twenty-five years. Since 1927, the school's outstanding actors have been organized into a club, the P. H. S. Thespian Society.

Under the supervision of Miss Boles, the club is responsible for presenting several student-directed chapel plays. Several members assist in the production of the annual high school play.

At the monthly meetings, there are discussions on movies, plays, actors, and problems encountered in playcraft.

Each year since 1935, the organization has sent delegates to the annual Dramatics Conference at Penn State College. The representatives attend dramatic clinics, inspect various plays, receive instruction in lighting, producing, costuming, and mounting plays. They also attend a performance.

Instead of buying new school equipment this year, the club gave its money in the interest of National Defense. They assisted the Red Cross and the Selectees and purchased defense bonds.

HI-LIGHTS STAFF

Editorials, copy reading, leads, proof marks, five W's and H—if you know the meanings of these words, you have a glimpse of the private life of a newsreporter. These words and many more, plus originality, writing ability, and initiative make the ideal reporter for any paper.

The *Hi-Lights* staff is made up of juniors and seniors taking Journalism. In order to become a reporter, the student must be recommended for the work by his English teacher. Because Journalism is a half-year subject, there is no chance for a student to be placed in any definite position on the staff. The student has an opportunity to work in each division of the paper; such as editorials, features, news stories, columns, sports, and club news.

The *Hi-Lights* is published every two weeks. Mr. Welder is the faculty adviser for the members of the staff.

EDITORIAL STAFF OF *THE MIRROR*

The Editorial Staff of *The Mirror* edits the four issues of *The Mirror*, Christmas, Valentine, Easter, and Commencement.

In order to work efficiently the staff is divided into sections, and each division is given special duties. The editor-in-chief must assign work to the staff, see that the material is in and typed, and do the proof reading. The literary editors choose and correct stories which the high school students have written. The poetry editors select poetry which too has been written by the students. The classnote editors appoint room reporters and take care of the classnotes. The exchange editor conducts a column which is made up of excerpts from other school books. The column, "Groundhog Gab" is written by the columnist. The typists type the material as it appears in the actual magazine.

The faculty adviser of the poetry is Mrs. Garnow, and the general staff activity is under the supervision of Mrs. Beam.

BUSINESS STAFF OF *THE MIRROR*

The members of the Business Staff of *The Mirror*, who are chosen early in the school year by Mr. Boyd, furnish the advertisements and act as a circulating staff for the four issues of *The Mirror*. To be able to carry out these duties in a commendable manner, they must possess these two characteristics—efficiency and punctuality.

In order to induce the readers of *The Mirror* to patronize the stores and in order to please the advertisers, they must be efficient workers in calling on the merchants and in writing the advertisements. They must be efficient too when the books are being delivered to the various rooms. Punctuality is important, for the advertisements must be ready when the deadline rolls around.

The seventeen students who served on the Business Staff this year have proven to be both punctual and efficient. They must be congratulated for their fine work and for their cooperation with the adviser, Mr. Boyd.

LIBRARY CLUB

Officers

President—Norma Moore
Vice President—Barbara Rhoads
Secretary—Eleanor Allen
Treasurer—Shirley Jordan

The Library Club was organized in October, 1941, with a membership of thirty girls. The purpose of the club is to give the girls an idea of library work by actual experience in the library. Each girl works one period a day for one week of each month. She charges and discharges books, arranges the bulletin board, and becomes familiar with the library shelves. At the monthly meetings it is the aim of the club to learn more about library work through reports, games, and actually doing things.

This year the club aided in the Victory Book Campaign. The town was divided into fifteen sections and two girls assigned to each section to collect books. The girls worked for one week on the house-to-house canvass.

Through the patient help and supervision of Miss Fenton, their adviser, the girls have grown in experience and knowledge of library work.

ART CLUB

Officers

President—Nick Passerell
Vice President—Bill Checkeye
Secretary—Alice Shoffner
Treasurer—Jean McQuown

Through leadership of its supervisor, Mrs. Wood, the Art Club was successfully reorganized this year. The club meetings, which are held every other Monday, are spent constructively. First, the club members made Christmas cards, all of which they sold. The club made calendars cut of linoleum block and printed with a press. Each block was separately designed by a member. The calendars were sold with excellent results. Many of the meetings were devoted to making patriotic posters—such as those for the collection of newspapers, magazines, and other materials vital for defense-manufacturing.

An interesting project, the remaking of puppets, was carried on. Each puppet had to be reconditioned and clothed by the club members. When the puppets were ready, a show, in which "Hansel and Gretel" and other features were presented, was put on for the grade-school children.

Although the club was organized only a few weeks before Christmas, it has carried on many successful activities.

PHILATELIC SOCIETY

Officers

President—Joy Ann Knarr
Vice President—Don Stigers
Secretary — Frances London
Treasurer—Bonnie Emberg
Press Reporter—Nancy White

The Philatelic Society is a comparately new club in Punxsutawney High. Since its organization in 1940, it has been regarded highly by its members, and it is now the desire of many students to become members of this club. Under the surveillance of Miss Kostenbader, all members have acquired fine stamp collections. The club meets bi-monthly; once in the homes of various members and once in the High School. They carry out a two-point program. One meeting is a business meeting, the second a social gathering. In the past, members collected stamps for their own albums. They now enjoy trading stamps in an effort to further each other's collections. Every member of the club is entitled to use the stamp approval system by which they send for approvals from stamp societies. In the near future, the society expects to hold a stamp exhibit, at which time the combined collections of the society members will be on display.

CAMERA CLUB

President—Bob Hogan
Vice President—Kennard Smiley
Secretary-Treasurer—Bonny Murphy

The Camera Club is one of the most interesting and active clubs in P. H. S. Besides producing the pictures for the Hi-Lights, the club snaps pictures of different school activities. Mr. Heil, a member of the Science Department and a former adviser, accepted the position of the club's faculty adviser after Mr. Straitiff's departure this year. At their bi-monthly meetings, the members are entertained and informed with demonstrations of photographic work by the more experienced club members and by speakers. Technicolored movies and different phases of picture taking, such as sepia-toning and suitable subjects worth snapping are shown. The club also conducts fall and spring contests.

There is one requirement to join the club. A prospect must first show his ability and interest in photographic work by printing and developing a film roll. All members have the privilege of using the dark room during study periods and after school.

SCIENCE CLUB

Seniors

President—Paul Anthony
Vice President—Bill Lyon
Secretary—Joyce Ryder
Treasurer—Margery Lyon

Phew! What is that atrocious smell issuing from the Chemistry Lab? Just ask a Chemistry student; he should know, for he is exposed to it very often. However these disagreeable odors prove to be quite interesting at Science Club meetings. Here, many magical tricks, such as enveloping the hands with flames, producing different colored solutions, and burning ice instead of coal are performed by the Chemistry students. Then, too, many useful and practical experiments are carried on by the members of the club. Interesting topics on subjects related to science are presented by the students, and entertaining as well as educational movies are shown.

The Science Club boasts of 76 members, which is quite a large group. This year the club bought emblems in the form of a microscope, which prove to be very original.

The club meets once a month in the school building. It is under the supervision of Mr. Sherk.

SCIENCE CLUB

Sophomores and Juniors

The Juniors and Sophomores make up the rest of the Science Club. They are the students who study Physics and Biology.

It was these students who suffered the greatest during the Science Club initiation held in the fall. The Seniors planned the initiation, and apparently they forgot no tricks!

The student who is taking a Scientific course in school has four years of Science. General Science, Biology, Physics, and Chemistry are the required subjects. After being subjected to these studies of science, a student should be very well acquainted with the world of science.

Occasionally, a speaker from one of the fields of science, speaks to the club on some subject which concerns scientific research. In this way the students are able to discover in what way the experiments being carried on in school are related to the world as a whole.

At the end of the school year the Science Club and Commercial Club hold a joint banquet.

Seniors

President—Harry Startzell
Vice President—Mary Lazorcak
Secretary—Lenora De Luca
Treasurer—Marguerite Amundson

Miss Mabel Monroe is the faculty adviser of the Commercial Club. All the commercial teachers assist her in the work of guiding this club. Harry Startzell is the capable president of this organization, which is one of the largest in P. H. S. It boasts a membership of approximately one hundred and twenty members. The club is an active member of the Chamber of Commerce, and meetings of this organization are regularly attended by the Senior boys of the Commercial Club. Reports of the meetings attended are then given at Commercial Club gatherings. Mrs. Fetterman, Secretary of the Chamber of Commerce, gave an interesting report on the activities of her organization at one of the monthly meetings of the Commercial Club. This was greatly appreciated by the members who were not only entertained but also instructed. Practical information obtained from these meetings will no doubt benefit the members of the club long after they left high school.

COMMERCIAL CLUB

Juniors

The club celebrated Christmas this year with its traditional Christmas party. Because of the size of the club, this meeting was held in the gymnasium. For the festive occasion, the "gym" was appropriately decorated with two large Christmas trees. Under these trees were placed gifts which were later given to the members. After the opening of the gifts, refreshments were served and the members danced to the music of the nickelodeon. This is the only social meeting of the year, until the joint banquet of the Science and Commercial Clubs in May. The majority of the meetings are comprised of things of educational value and interest.

The membership of the club includes Juniors and Seniors. The Student Teachers are also members, and the new ones are initiated into the club twice a year. This year each member was given a *Yearbook*. This book gave a list of each carefully planned meeting of the year. It was attractively bound.

LATIN CLUB

Officers

President—Joyce Ryder
Vice President—Margery Moore
Secretary—Annie Laurie Crawford
Treasurer—Robert Rees

The Olympic Council, popularly known as the Latin Club, is an organization devoted mainly to acquainting the members with Roman customs. Much information is gained through the word puzzles, games, playlets, songs and discussions at the monthly meetings. The lunches which are served consist of Roman food.

Each member has a Latin name. An outstanding part of each meeting is the roll call. Every month, the members answer with some special response decided at the previous meeting.

The juniors and seniors are each responsible for making one issue of "Fulman Iovis," the all-Latin Club paper.

The most outstanding activity of the organization is the Latin Club Banquet which is held each year in May. At their banquet the members wear togas, have slaves, recline, and feast in Roman style.

The club is greatly interested in Roman life and giories in the preservation of a classical people and their language.

The P. H. S. Cercle Francais, or French Club, is entertained on the fourth Monday of each month in the home of one of the members. At these meetings games are played which will help the members increase their knowledge of French. Translating song titles into French, playing Bingo with French numbers, and answering quiz questions in French are among the games the club enjoyed this year. Reports are given to make the members more familiar with the French people and customs. Our own popular songs translated into French and French folk songs are often sung. The business meetings are conducted in French with rather amusing results sometimes. Any student taking French II may join the organization. This year the club for the first time bought pins. They are very tiny silver ones with Cercle Francais P. H. S. inscribed on them. Miss Pantall sponsors the club.

HOME ECONOMICS CLUB

President—Bessie Kanarr
Vice President—Theresa Tronzo
Secretary—Pauline Carol
Treasurer—Mary Pulsoni

The chief aim of the Home Economics Club is to create and stimulate an interest in that subject. This aim is attained at the educational meetings which are held twice a month.

The Home Economics Club under the supervision of Miss Pifer is very active. During the Christmas season the members had a party for some needy children. The members of the club sponsored an exhibit both at Christmas time and in the spring. Delegates were sent to Hershey to the annual State Convention of High School Homemaking Clubs. At several times during the year, the members proved their efficiency by serving guests of other organizations. Another beneficial work of the Club is the knitting and serving that the girls do for the Red Cross.

We want to congratulate the club for their fine services rendered not only to the school but to the other organizations. We challenge the future clubs to carry on the various activities.

AVIATION CLUB

President—John Wolfe
Vice President—Earl Hogan
Secretary—Klaudine Clark
Treasurer—Robert Farmer

The Aviation Club this year has made notable progress. A conference was held in the local Y. M. C. A. to stimulate interest in aviation. A gas model plane known as a "sail" plane was purchased by the club and constructed by John Wolfe. While on display, it was viewed by many people from the district. By constructing fifty model airplanes, which will be used by army, navy, and civilian defense groups, the club is doing its part in national defense.

The club under the supervision of Mr. Mitchell aims to create and foster a growing interest in the rapidly developing field of aviation. This aim is achieved at the regular monthly meetings during which questions are discussed or a more difficult problem is cleared by a speaker.

We know that the future of this club is bright, for many pupils have set high goals in this field. P. H. S. can certainly be proud of this fine organization and their interest in aviation.

TRI-HI-Y

President—Lucille Brennan
Vice President—Margery Lyon
Secretary—Marjorie Murray
Treasurer—Kathryn Stockdale

The Senior Tri-Hi-Y since its organization has been one of the most active clubs of P. H. S. During the past year, it has held several dances and dinners. Some of its members took the Red Cross First Aid course and all of them participated in the state wide Bible Study contest. Each of its members tries to live up to the Tri-Hi-Y pledge.

"To build a better world,
Ready I must be,
In the place where life doth find me,
Holding fast, yet pushing on,
Into glorious adventures,
You, and I, and God."

At its meetings, which are held every Wednesday night at the local Y. M. C. A., the girls carry out a four point program.

By selling candy at the football games this year, the club earned enough money to buy the familiar red sweaters for all its members. The Tri-Hi-Y social season will be climaxed by its annual spring dance. The club adviser is Mrs. Howard Newcome.

Your yearbook is a store of treasured memories. The oft repeated thrill of recollection which accompanies each new search through its pages will many times repay you for the care and consideration which has gone into its creation.

We are proud to have had some part in the production of this book. It indicates the wealth of ideas and ability which have made possible the Northern's long record of school annual achievement.
